

# The Perrysburg Journal.

E. L. BLUM Editor.

Entered at the Perrysburg Postoffice as second-class matter.

THURSDAY, JANUARY 7, 1915.

The present school building in Perrysburg was erected about twenty years ago and at that time there were a number of well-meaning citizens who thought the building too large for the needs of the district, but time has shown that the building was by no means too large and has finally proven all too small for the purpose, and if we expect to give the children all they are entitled to receive in the matter of education it is high time to make plans for additional accommodations. Money spent for the education of the children is like "bread cast upon the waters"—it will return many fold in the good it will accomplish.

## TRY THIS FOR NEURALGIA.

Thousands of people keep on suffering with Neuralgia because they do not know what to do for it. Neuralgia is a pain in the nerves. What you want to do is to soothe the nerve itself. Apply Sloan's Liniment to the surface over the painful part—do not rub it in. Sloan's Liniment penetrates very quickly to the sore, irritated nerve and allays the inflammation. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

—On Saturday last Mr. M. U. Jerrett, manager of the Northern Ohio Telephone company, was taken sick and on Sunday morning he was conveyed in Witzler's ambulance to the Rheinfrank hospital where an operation was performed Monday for appendicitis. The operation was successful and the patient is doing remarkably well, with every prospect for complete recovery of his health, after several months of distressing illness.

## FACTS AND FICTION.

Experiences of Perrysburg Citizens Are Easily Proven to Be Facts.

The most superficial investigation will prove that the following statement from a resident of Perrysburg is true. Read it and compare evidence from Perrysburg people with testimony of strangers living so far away you cannot investigate the facts of the case. Many more citizens of Perrysburg endorse Doan's Kidney Pills. Erwin Bruce, Fifth St., Perrysburg, says: "I was annoyed by pains in my back and the trouble was always worse when I got up in the morning. Reading of Doan's Kidney Pills, I used them and the trouble soon left. The cure has lasted. I am glad to speak as highly about Doan's Kidney Pills now as I did when I recommended them before. I know of other people who have taken Doan's Kidney Pills with benefit."

Price 50c, at all dealers. \*Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bruce had. Foster-Milburn Co., Props., Buffalo, N. Y.

A ROUND OAK BASE BURNER, GIVES SUMMER COMFORTS 'MID WINTER'S COLD AND SNOW!

## EVERY DOCTOR RECOMMENDS

And insists that, for health's sake, the moisture stolen from the air by your home warmer, shall be returned. To do away entirely with the unsightly pan or teakettle and secure the same benefits, the ROUND OAK Folks have built into their Base Burner a Humidifier, which returns the life-giving moisture as fast as the stove steals it. (Patented.)

Of proper size and location to secure the ideal results, it does not detract from the heating properties or pleasing appearance of the heater, rather its adoption carries out and completes the uniform and attractive design of the Base Burner. This positive assurance of healthful, balmy, summer heat, throughout the entire bleak, cold winter, is a factor you should insist upon and demand. Several equally important and exclusive improvements combine to point this out as the most healthful, powerful and economical Base Burner produced to date.

See the stove itself. Ask us to show you how and why this incomparable Base Burner has solved your heating problems.

—On New Year night the home of Mr. and Mrs. C. F. Rider of Lime City, was invaded by a party of Perrysburg, who wished themselves upon the Riders as a Happy New Year greeting. The party took a reasonable supply of grub with them, but when they arrived and found a most charming chicken dinner awaiting there was no question about the happy part of the New Year. Progressive euchre was played as one of the minor features of the evening's enjoyment. The guests were Mr. and Mrs. H. H. Sargent, Mr. and Mrs. Frank Hollenbeck, Mr. and Mrs. W. A. Finkbeiner, Mr. and Mrs. L. A. Hallowell, Mr. and Mrs. Ed Blue.
